

HIGHLAND WONDERS

Lost Lake Moss Walk with Erica Heinlen

Saturday, September 23, 2023 from 10am-2pm

The Lost Lake Wetland and Wildlife Preserve has habitats that support great moss diversity. Join OHA and Erica Heinlen, M.S., Zone Botanist for the Tonasket Ranger District, Colville National Forest, as we walk, talk, and learn together about moss structures and identifying features, ecological adaptations and functions. Erica manages the sensitive botanical species and native plant programs for the Tonasket and Republic Ranger Districts of the Colville National Forest. She is excited to share her love for plants and bryophytes with others. It will be a fun day exploring these small jewels in the forest!

Where and When:

- 9 am: Meet at Tonasket High School Parking Lot if you would like to carpool from Tonasket
- 10 am: Moss Walk Begins from the Lost Lake Wetland and Wildlife Preserve Kiosk on the south end of Lost Lake, find directions at:
okanoganhighlands.org/restoration/lost-lake/

What To Bring:

- Sturdy walking shoes, clothing layers, water, lunch, hand lens (also available to borrow if needed)

Erica Heinlen has a bachelor's degree in botany and zoology from the University of Washington and a master's degree in bryophyte ecology from the University of Alberta.

Registration is Limited!

Reserve your spot by sending an email to: info@okanoganhighlands.org
